Pre-School 220 Yard Run

One Mile Run for Zimbabwe Orphans Course

## Annual Run for Zimbabwe raises funds for very poor in Africa

By Megha Agarwal
The 14th annual Run for Zimbabwe
Orphans and Fair will take place Sun.,
Mar. 24, noon to 4 pm at St. Joseph
Catholic School in Mountain View,
sponsored by the Sustainable Living

Foundation.

There are races for all ages: 220 yards for preschoolers, half a mile for kindergarteners, and one mile for all other ages (including high schoolers and adults). There is also a mini-fair featuring a t-shirt sale, a Zimbabwe band, food, multiple cultural booths, an art contest, shoe drive, and a book drive.

All proceeds go directly to the Makumbi Children's Home in Zimbabwe in order to provide less fortunate children with basic necessities of food, clothes and educational materials. Last year's Run provided a total of \$32,700.

Zimbabwe in recent years has experienced a rapid financial decline that has taken a huge toll on its citizens. According to the International Monetary Fund, Zimbabwe's GDP per capita is a mere \$515, the second lowest in the world.

In comparison, the United States' GDP per capita, ranked sixth globally, is over \$48,300. Over 72 percent of the population of Zimbabwe lives in complete poverty, with one-third of the population infected with HIV or AIDs.

Over 900,000 children have been abandoned or placed in orphanages due to their parents' inability to support

The Sustainable Living Foundation encourages participation in the Run, donating out-grown shoes, volunteering at a booth and making a donation.

ANNUAL ZIMBABWE RUN RAISES MONEY FOR ORPHANAGE, ENCOURAGES FITNESS

By Andrea Gemmet

The Run for Zimbabwe is part African festival, part fun run. Now in its 14th year, the race and fair is set for Sunday, March 24, from noon to 4 p.m. at St. Joseph School.

preschool to adult, the event raises money for an orphanage in Zimbabwe, the Makumbi Children's Home. Put on by the Sustainable Living Foundation, the event includes a celebration of Zimbabwe culture with authentic music from Chinyakare Ensemble and Sadza, cultural booths. games and food, according to organizer Ellen Clark, the foundation's president.

Clark said she hopes proceeds

from this year's event will match - or beat-last year's donation of \$32,700. The race entry fee is low at S5, with T-shirts sold separately. Attendees are encouraged to contribute shoes to the shoe drive. There's also a children's book drive, with a request for With races for all ages, from each family to contribute one book and \$1 to cover shipping

> According to Clark, the event is a chance for local residents to get fit while helping the people of a country with one of the world's highest poverty rates. About one third of the population suffers from HIV or AIDS in Zimbabwe, where residents have a very low life expectancy and there is an estimated 900,000 AIDS orphans and children who have been

#### Wish List for Makumbi in 2013

By Father Heribert Mueller

- Mattresses for the children
- 7% Raise for caregivers
- Two dairy cows & shade structure for milking
- Sponsorship of orphans-\$350 for one orphan per year.
- Indoor plumbing for preschool

#### What your Zim money bought in 2012: Roofs!

Before the 2012 run, Fr. Heribert wrote, "The preschool is in urgent need of renovation. The building is currently without a water supply." However, the rains came and all the roofs were leaking. To prevent the kids from being dripped on, the orphanage put new roofs on the living quarters for the orphans with our funds. Also, through our sponsorship program, the orphans were fed, clothed and educated. The indoor plumbing is still a need along with the other items listed above.

Updates from Makumbi: Although the number fluctuates from year to year, currently there are 92 orphans at Makumbi. Many of the orphans are there because their parents died of AIDS. At 18, the children move out of the orphanage. Father Heribert writes, "Five of them are now in the process of leaving Makumbi trying to establish themselves outside with our help. But it is difficult." In Zimbabwe, today, the unemployment level is at about 80% and there are many other tragic conditions affecting the country. (See Megha Agarwal's letter that was published in the Valley Catholic.) In 2012, each little cottage (There are eight cottages.) where the children are cared for, received, at least, one new baby. One cottage received two new babies because they are twins! One very sad occurrence in 2012 was the death of a 17-year-old orphan named Priscilla. Father writes, "It was a long struggle... and we tried everything to keep her alive. Once in the coma she did not come out of it again. There were many tears at her funeral."

Amount raised at 2012 run: \$32,700! Our goal is to match or exceed that amount in 2013. Who underwrites the <u>expenses</u> for this meet? Please thank The Wakerly Family Foundation—a committed Mtn. View family. They paid for the porta-pottie rentals, the ribbons, insurance, t-shirt production, trophies and posters.

We look forward to seeing you in the spring of 2014 for the 15<sup>th</sup> Annual Run for Zimbabwe Orphans and Fair. It will be the Year of the Hippo!
